

# Senior Checklist

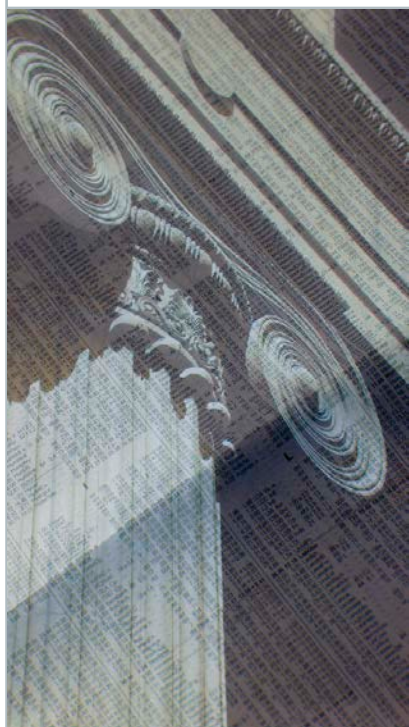

## Timeline

### Early Fall

- Review and begin applications to the schools you are considering
  - note deadlines for admission, scholarships, housing, etc.
  - note process for submitting transcript
    - ApplyTx – mail
    - Common App – online
    - SendEdu - online
- Research university AND program of study requirements. Sit down with everyone who has a stake in your college decision and solicit input.
- Research Early Decision (ED), Early Action (EA) and Single Choice Early Action (SCEA) as per university. Understand the implications for binding agreements.
- Take the ACT/SAT in September/October (repeat as necessary or desired).
  - Subject tests may be required for specific programs of study
- Consider who will write your letters of recommendation. Provide references with your Senior Questionnaire, a resume and plenty of time.
