<b>Cell Phone and Technology Policy</b>	Students are allowed to bring their own technology devices (laptops, iPads, tablets, etc.) to school. Use of these devices in the classroom is at the discretion of the teacher. Science Academy is not responsible for lost, damaged, or stolen devices.
<b>Assessments</b>	<p>Frequently during the year, formative assessments will be given. These will be in the form of homework, written or oral quiz, readings and discussion, student writing, or tests. Feedback will be given on all formative assessments.</p> <p>The formative assessments are critical to learning because they provide feedback as to what essential learning we will focus on next. They will help influence and shape the process of learning while we still have time to improve before test or grades are given.</p>
<b>Retesting Procedures</b>	Retests will be available to students upon receiving a failing grade. There may be prerequisites set by the teacher. The time and date for all retests is determined by the teacher. Any retesting assignment must be completed within one week of an excused absence.
<b>Homework &amp; Late Assignments</b>	<p>All assignments are due at the designated time. Homework is due at the beginning of the class hour.</p> <p><b>Late assignments due to absences:</b> If a student is absent the day an assignment is due, the student shall receive a due date for the next class meeting. Assignments submitted electronically are due before the beginning of class time on the scheduled due date. Students who are absent on the day an assignment is given will need to turn in the assignment within the same time frame originally set by the teacher. Work turned in during this time shall receive full credit.</p> <p><b>Late assignments not due to absences:</b> Late assignments should be turned in within a one-week period, but a deduction of 10 points will be applied per day (not class period).</p>
